How to download books and audiobooks with the **Libby App**

You will need a valid library card with password, wireless access, and your device

1. **Set Up Procedure for first use only:**
 - See other side
2. **Find a book at Live-brary.com:**
 - **To search for a specific book:**
 - Tap magnifying glass at the bottom of the screen and enter a title, author, or combination of keywords.
 - **To browse by category:**
 - Select button for New, Popular, Random, Available or Subjects.
 - Scroll down for links to Kids, Teens, and Spanish collections or to set Preferences for format, language, audience and more.
 - Scroll further to see Librarian Lists of books on selected topics.
 - **To filter search results by Books or Audiobooks:**
 - Tap on Refine, select Format, and choose Books or Audiobooks.
3. **Borrow a Book:**
 - Tap Borrow to the right of the book cover, or tap the book cover and then tap Borrow.
 - Tap Borrow! then select Open Book to start reading, Keep Browsing or Go to Shelf to see all your borrowed titles.
 - When you select Open Book, you will be asked where you want to read the title. Choose Libby to read in the app, or Kindle to send the book to your Kindle app or device. For Kindle you will need to log in to your Amazon account and verify where you want the book to go.
 - If you borrow an audiobook, tap Open Audiobook and tap the play button when you are ready to begin listening.
4. **Reading Tips:**
 - In the book, tap center of page to access the following options:
 - <Back - return to Library or Shelf
 - Search (magnifying glass) - search within the book.
 - Bookmark - bookmark a specific page you can return to later
 - Chapters - list of chapters that you can access by tapping
 - A icon - text size and lighting options
5. **To Return a Title Early:** (Books will return automatically on the due date)
 - From the Shelf, tap Manage Loan to the right of the book cover, select Return Early, then tap Return!
